

PANINI KABOB GRILL

Panini Kabob Grill is still open and still cooking. At the heart of our company's purpose is our passionate commitment to support the local communities in which we serve. Now more than ever, our guests deserve a fresh, healthier alternative to fast food and a more affordable, delicious option than waiting in long lines at the grocery stores.

In our efforts to protect our communities while serving them food made in-house from a true Mediterranean scratch kitchen, we are doing the following:

**WE ARE
OPEN!**

All locations remain open 7 days a week from 10 AM - 8:30 PM for **pick-up, delivery, & take-out.**

**LOWER
PRICES**

To give back to our communities during this challenging time, we brought back the **SAME PRICES FROM OVER 10 YEARS AGO** for our **Chicken Kabob & Family Kabob Combo.**

**FREE
DELIVERY**

To promote social distancing, we are providing **FREE DELIVERY** on any PaniniKabobGrill.com or My PKG app order.

**CURBSIDE
PICK-UP**

For our guests' convenience, we provide **CURBSIDE PICK-UP** on any PaniniKabobGrill.com or My PKG app order. Just call us when you arrive & we'll bring the food to you.

We also strive to uphold exceptionally high standards of cleanliness and food safety. During this unprecedented time, we know how important that is. At our restaurants we have implemented and will continually enforce the following health and safety procedures:

- We are closely monitoring the CDC, Health Department, and other appropriate agencies for prevention.
- We are communicating the most up-to-date information with staff daily to ensure our restaurants remain clean and employees and their loved ones stay safe.
- We have enhanced our cleaning procedures for surfaces that people touch frequently such as tables, countertops, stalls, menus, door handles, and more.
- We have placed markers on our dining rooms' floors to help guests maintain 6 feet of distance while in-store.
- We continue to train our employees and remind them if necessary, to follow rigorous hand washing policies, which require they wash their hands at least every 30 minutes (for at least 20 seconds) with soap and water.
- All employees who are in direct contact with food must wear nitrile gloves at all times.
- Any employee who is not feeling well is required to stay home, with sick pay provided.

We are committed to serving our communities for as long as we can. Thank you for your support.

MY PKG Rewards

Join My PKG Rewards to earn 1 point for every \$1 you spend, FREE birthday rewards, special gifts, & exclusive offers and promotions..
